### SILVER SPRINGS

#### HOTEL FOR SALE

At a great bargain; \$1,000 cash, balance in light annual payments; completely furnished; open all the year. Mr. Brown's continued ill health compels a sale. For a live man no better hotel opening is offered in the South. Being located opposite the famous spring, Seaboard railroad station and Oklawaha steamer landing and but six miles from Ocala over a fine road, its advantages as an automobile house for Ocala parties, a tourist hotel and as a resort for sportsmen can hardly be overestimated. Building seven years old and unincumbered, having paid for itself in a short time. This ad. will also appear in Boston and New York papers. Don't allow a northerner this unusual bargain. Apply to owner on premises. Pictured details postpaid by the Chapin Farm Agency, 294 Washington street, Boston, Mass.

### GOOD WORDS FOR CHAMBERLAIN'S COUGH REMEDY

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Barclay, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy whenever she has had a cold since she was two months old. About a month ago I contracted a cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by all druggists.

### KENDRICK

Last Sunday was a day long to be remembered by the people of our little place. It was the day upon which our new Methodist church was dedicated; the services being conducted by Rev. F. R. Bridges, presiding elder of this district, assisted by Dr. Cunningham, Rev. J. G. Graham and our pastor in charge, Rev. M. M. Lord; after which the Lord's Supper was administered. Mrs. M. G. Davis presided at the organ and Mr. G. N. Sumner led the choir. Every dollar that was due on the church was raised and last but not least one of the most elegant dinners was spread on the grounds, and although all seemed to do it justice there was plenty left to have fed as many more. Ocala was represented by Hon. C. L. Bittinger and wife and E. L. Carney and wife, and many others that we did not learn. Anthony was well represented, as was also Martin, Lowell, Reddick, Griner Farm, Pine and Agnew.

Mrs. Annie Aikin and children, an\* sister, Miss Dora Turnipseed, of Ocala, visited the families of Mr. J. E. Turnipseed and W. T. Richey last Sunday and attended dedication services.

Mr. and Mrs. B. A. Grantham and Miss May Hall of Pine and Mr. and Mrs. C. J. Grace of Evinston were guests of Mr. and Mrs. C. I. Grace last Saturday and Sunday.

Misses Lillie Sims and Esma Mack are visiting at Fairfield this week.

Mr. M. C. Lorrin of Reddick visited Mr. W. B. Livingston a few days this week.

Mr. W. V. Chappel, who has been quite sick with mumps, is improving.

Miss Dora Carlton of Pine attended quarterly meeting here last Saturday.

Misses Alta Grace and Clara Sims, with Emory Leavengood, attended the picnic at Fairfield last Friday.

Mr. Ernest Spencer and wife who have been spending a few days with their parent, Mr. J. E. Spencer, have returned to their home in Ocala.

Miss Elma Grace and Masters Ausley and George Grantham are visiting relatives at Pine.

### A. C. CROOM, STATE CONTROLLER

A. C. Croom, state comptroller, bases his candidacy for re-election upon the record of his services, and especially upon the following:

1st. He has obeyed and administered every law pertaining to his duties with absolute fidelity and with firmness toward all alike.

2nd. He has instituted reforms of administration which annually saved a great many thousands of dollars to the taxpayers of Florida.

3rd. He has placed the work of the office on a strictly business basis, vastly increasing its efficiency in scope and in promptness for service to the people.

4th. He has led in the effort to distribute the tax burden fairly upon all classes of property, and has done everything that it was possible to do under existing laws to lighten the burden of taxation upon the people.

5th. With all his might he had at all times and in all cases opposed extravagance in governmental expenditures, and can point to thousands of dollars of unwise and unnecessary expenses from which the people have been saved by his firm stand for economy.

6th. His administration of the Pension Bureau has been commended by Confederate Veterans in every county in the state. He is a veteran himself, who saw a great deal of hard fighting, and has always been a true friend of the old soldiers.

### BOND'S PORTABLE FIRE-PLACE

is especially adapted for turpentine men, sawmill men, or any one where a temporary fire-place is needed. The cut herewith gives a front view of this invention and shows how same can be attached to any frame building, either where fire-place would be built, or can be set in window.

It is made of the best galvanized steel, is light, strong and durable. This portable fire-place can be moved from place to place and taken down or set up in a very few minutes, thereby saving an expense which would incur in making a chimney of sticks and mortar or brick.
